## **Decorative Glass of the 19th and Early 20th Centuries: A Source Book** Nance Fyson

This work gathers together 150 colour illustrations of original stained- glass pieces in their natural settings and demonstrates how stained-, painted and etched glass was used by the leading exponents and glaziers of the Art Nouveau, Arts and Crafts and Art Deco design movements. Accompanied by a historical appreciation of the role of decorative glass in architecture, there is also practical information on recreating the effect intended by the original architect.
