Radical Redemption: The Real Story of Manny Mill Manny M. Mill

"The life and ministry of Manny Mill is another evidence that a reformed vision of God's sovereign grace ignites radical, risk-taking ministries of mercy, not passive fatalism. May his story set ten thousand captives free—including those who have never been in prison." — John Piper, founder, Desiring God Ministries

"I could have been dead so many times. I always spent more money than I had, I was always in over my head, and I was always involved in too many things at one time...Everything I did was with me in mind."
— Manny Mill

Descending into a life of debauchery, Manny Mill found himself teetering on the edge of personal and financial disaster.

In this candid and vividly personal book, Manny tells how His pursuit of pleasure led him to the depths of human despair. A declared fugitive of the law, he was running from the FBI when he ran into Christ and a life of radical redemption. Manny's experiences will thrill you. His faith will inspire you. And his words will challenge you to think about your life, your relationship with the God of the universe, and your own need for a radical redemption.
