"The most winning junior detective ever in teen lit. (Take that, Nancy Drew!)" —*Midwest Children's Book Review*

When Sammy finds out that her mother has changed her name, dyed her hair, and shaved ten years off her age, she knows it's time for Lady Lana to get reacquainted with reality.

Sammy hops a bus to Hollywood and finds her mother in deeper trouble than she imagined. Lana's phony persona is crumbling just as she is being considered for the part of a lifetime. So when one of Lana's competitors for the big role is found dead in the room next door, Sammy can't help wondering: Is her mother the next likely victim . . . or the prime suspect?

The Sammy Keyes mysteries are fast-paced, funny, thoroughly modern, and true whodunits. Each mystery is exciting and dramatic, but it's the drama in Sammy's personal life that keeps readers coming back to see what happens next with her love interest Casey, her soap-star mother, and her mysterious father.

From the Trade Paperback edition.
