"I was almost born Happy." So begins *The Spanish Bow* and the remarkable history of Feliu Delargo, who just misses being "Feliz" by a misunderstanding at his birth, which he barely survives.

The accidental bequest of a cello bow from his dead father sets Feliu on the course of becoming a musician, unlikely given his beginnings in a dusty village in Catalonia. When he is compelled to flee to anarchist Barcelona, his education in music, life, and politics begins. But it isn't until he arrives at the court of the embattled monarchy in Madrid that passion enters the composition with Aviva, a virtuoso violinist with a haunted past. As Feliu embarks on affairs, friendships, and rivalries, forces propelling the world toward a catastrophic crescendo sweep Feliu along in their wake.

The Spanish Bow is a haunting fugue of music, politics, and passion set against half a century of Spanish history, from the tail end of the nineteenth century up through the Spanish Civil War and World War II.
