## **Confessions of an Imperfect Caregiver** Bobbi Carducci

Bobbi Carducci's life was about to change. Her ill father-in-law 's odd behavior was a mystery when he came to live with her and Mike. For the next seven years Bobbi did everything she could to save him from himself-while he tried to convince everyone that he didn't need her and that she was crazy. "Brutally honest and written from the heart, Carducci's intimate chronicle of caring for her father-in-law is a poignant story of strength, compassion, and humor that will linger with you long after you read the last page. Highly recommended for anyone caring for an elderly parent." Jan Neuharth, author of the Hunt Country Suspense novels "Confessions of an Imperfect Caregiver, perfectly encapsulates the human experience, not just the caregiver's. When we live in a world of worry, stress and self-doubt, where do we find the strength to go on? Bobbi's retelling of her caregiving years unfolds in a beautiful answer to the questions posed by sickness, health, care, and loss." Alexandra Axel, Media Director, The Caregiver Space Bobbi is an award winning author and multi published short story writer.
