Expert Witnessing and Scientific Testimony: Surviving in the Courtroom

Kenneth S. Cohen

Expert Witnessing and Scientific Testimony: Surviving in the Courtroom Kenneth S. Cohen

Simply put, the primary role of the expert witness is to make clear and simple a complex technical or scientific issue. In practice, there are negative and positive aspects that must be considered before committing to the role. In a major case suing for big dollar amounts witnesses can expect to have their life history spread out like a roadmap for the world to see. On the other hand, finding and excavating the “smoking gun” piece of evidence can bring satisfaction far beyond any fees or hourly wage.

Based on the author’s more than 30 years of experience as a successful expert witness, **Expert Witnessing and Scientific Testimony: Surviving in the Courtroom** demonstrates how to properly present scientific testimony and survive the onslaught of cross examination in court. Written in an engaging style, the book begins with introductory material to the world of litigation and the role and qualifications of the expert witness. It covers necessary legal protocols such as rules of evidence and procedure.

Focusing on scientific testimony, the author demonstrates the use of scientific literature, presentation of testimony, and the language of lawyers. He addresses the courtroom experience with actual cases, experience, and pitfalls to illustrate procedure and strategy, cross-examination, and the exposure of personal history. Offering critical observations and judicial opinions, the book presents several exemplary civil, criminal, medical malpractice, and workers compensation cases. The author also includes his personal advice and tips on the business of expert witnessing. There is an extensive glossary of legal terms, detailed footnotes, and useful appendices summarizing code of conduct, paperwork, and examples of case reports.

Offering an insider’s look at the labyrinthine world of litigation, **Expert Witnessing and Scientific Testimony: Surviving in the Courtroom** provides a guide for expert witnesses in today’s legal environment.
