All great auditions require preparation and practice, but what's the secret to securing a callback? What are the best ways to prepare for that pivotal moment? And once you're in front of the casting director, what does it take to make the most out of your moment in the spotlight?

In this second edition of *Get the Callback: The Art of Auditioning for Musical Theatre*, Jonathan Flom provides practical advice on the many facets of preparation, including selection of songs and monologues to suit your voice and the audition, organizing and arranging your music, working with the accompanist, and presenting yourself to the casting team. The book gives a detailed description of the actual audition performance and even offers advice on how non-dancers can survive a dance audition.

In addition to extensively revised chapters on the audition process and how to build a repertoire book, this guide also features updated chapters on headshots, resumes, and cover letters; voice training techniques from Matthew Edward; advice from musical director Joey Chancey; and a foreword by casting director Joy Dewing. Aimed at professionals as well as young artists, this second edition of *Get the Callback* is a must-have for both seasoned and aspiring musical theatre performers.
