Leftist Governments in Latin America: Successes and Shortcomings

Leftist Governments in Latin America: Successes and Shortcomings

Can Latin America's 'new left' stimulate economic development, enhance social equity, and deepen democracy in spite of the economic and political constraints it faces? This is the first book to systematically examine the policies and performance of the left-wing governments that have risen to power in Latin America during the last decade. Featuring thorough studies of Bolivia, Brazil, Chile, and Venezuela by renowned experts, the volume argues that moderate leftist governments have attained greater, more sustainable success than their more radical, contestatory counterparts. Moderate governments in Brazil and Chile have generated solid economic growth, reduced poverty and inequality, and created innovative and fiscally sound social programs, while respecting the fundamental principles of market economics and liberal democracy. By contrast, more radical governments, exemplified by Hugo Chávez in Venezuela, have expanded state intervention and popular participation and attained some short-term economic and social successes.

You can find what you are looking for. It should be here for anyone. So , don't miss that! Just read this e-book variety for your better life and knowledge.

Gretchen Clark:

As a student exactly feel bored to reading. If their teacher asked them to go to the library or even make summary for some book, they are complained. Just little students that has reading's spirit or real their interest. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that examining is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Leftist Governments in Latin America: Successes and Shortcomings can make you experience more interested to read.
