Just like the weather, a person's story changes all the time. Sometime it's a romance, sometimes a comedy, and when things go badly it can be a fine line between action-adventure and tragedy.

Storm Chaser Shorts follows two converging stories. One involves the family and friends of Indiana State Trooper Chance Hamlin, who struggles to defend his hometown of Hurricane and his family from all manner of threats – whether they want him to or not. The other follows disaster photographer Allie Craine and those pulled into the wake of her passing, as she's tailed by the shadowy and disaster prone Luther Magee.

Seven stories are set before, and three after, the events of Storm Chaser. Like the weather – and life – the tales are diverse, ranging from humor and adventure to what may be downright mystical.

After all, life with a Storm Chaser is as diverse as the weather.
