The Mystical Teachings of Jesus Kim Michaels

The teachings in this book have helped hundreds of thousands of people gain a deeper appreciation for Jesus's teachings about the mystical path that he taught 2,000 years ago and that he still teaches today-for those who are able to make an inner connection with him.

Today many people cannot find a lasting heart connection to the real Jesus and his teachings because, according to most Christian churches, Jesus no longer talks to us. In reality, Jesus is a spiritual being and he is working to help all people who are able to raise their consciousness and attune to his Presence. For the past 2,000 years he has maintained a line of communication through those who have been willing to serve as messengers for his Living Word and who have pursued an understanding of his true message instead of settling for official Christian doctrines.

In this book, the ascended Jesus reveals the mystical teachings that he gave to his most advanced disciples. He explains why his true teachings are as relevant today as they were two millennia ago and how you can develop a personal relationship with him-one of the most remarkable spiritual teachers of all time.

Once you admit that mainstream religious traditions have not answered your questions about life, it is truly liberating to read the profound and meaningful answers in this book. Encouraging, moving and profound, this enlightening book will help you attain inner attunement with Jesus, even mystical union with him.

You will learn how to:

- recognize the silent, inner voice of Christ in your heart
- achieve permanent inner peace and happiness by getting connected with the Christ Consciousness
- heal yourself from emotional wounds
- get guidance from Jesus, who is your greatest teacher and friend
- communicate directly with Jesus
