God created fathers to love, protect, support and encourage their daughters to live a life of integrity and purity. However, many fathers have failed in their responsibility. The father/daughter relationship is especially crucial in today's society. Across the country, many young ladies suffer from the lack of a loving father, whether present or distant. Every young lady longs to know and be close to her father- to chat with him, to laugh with him, and receive the assurance from a needed hug or talk.

*Talks Your Dad Never Had with You* gives us a loving father's voice. Dr. Harold D. Davis's biblical knowledge, practical advice and "telling it like it is" tone, offers young women hard truth and tough love on issues such as purity, boys, sex, and their value.
