James Wasserman

In the Center of the Fire: A Memoir of the Occult 1966-1989 James Wasserman

In this daring expose by a survivor of a unique era in the New York occult scene, James Wasserman, a longtime proponent of the teachings of Aleister Crowley, brings us into a world of candlelit temples, burning incense, and sonorous invocations. The author also shares an intimate look at the New York Underground of the 1970s and introduces us to the company of such avant-garde luminaries as Alejandro Jodorowsky, Harry Smith and Angus MacLise. A stone's throw away from the Velvet Underground and Andy Warhol's Factory, William Burroughs's "bunker," and the legendary Chelsea Hotel was a scene far more esoteric than perhaps even they could have imagined.

When James Wasserman joined the O.T.O. in 1976, there were fewer than a dozen members. Today the Order numbers over 4,000 members in 50 countries and has been responsible for a series of groundbreaking publications of Crowley's works.

The author founded New York City's TAHUTI Lodge in 1979. He chronicles its early history and provides a window into the heyday of the Manhattan esoteric community.

This is also a saga with a very human tableau filled with tender romance, passionate friendships, an abiding spiritual hunger, danger, passion, and ecstasy. It also explores several hidden magical byways including the rituals of Voodoo, Tibetan Buddhism, and Sufism.

Reconstructed from personal memories, magical diaries, multiple interviews, court transcripts, witness depositions, trial evidence, and extensive correspondence, this book elucidates a hitherto misreported and ill-understood nexus of modern magical history.

It should be here for you. So , don't miss the item! Just read this e-book type for your better life as well as knowledge.

Richard Stratton:

As a scholar exactly feel bored to help reading. If their teacher requested them to go to the library as well as to make summary for some e-book, they are complained. Just minor students that has reading's soul or real their interest. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that reading through is not important, boring along with can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this In the Center of the Fire: A Memoir of the Occult 1966-1989 can make you

experience more interested to read.
