Masters

of Meditation and Miracles

presents

colorful biographies of thirty-five realized teachers whose lives were full of peace, enlightenment, and amazing miracles. They flourished in Tibet, the Roof of the World, in its golden days. These teachers belong to the Longchen Nyingthig lineage of the Nyingma school of Tibetan Buddhism, a cycle of mystical teachings revealed by the great scholar and adept Jigme Lingpa.

From

the first master, Garap Dorje, to the present, each spiritual personality has his or her own distinctive role to play in this great lineage. In retelling their stories in his own words, the author has sought to bring out their inner feelings as well as their external activities: how they faced and healed physical pain, how they dealt with emotional turmoil, how they overcame spiritual or meditative illusions, and most important, what experiences they had when they awakened their own inner Buddha Mind and Buddha qualities. These biographies not only provide great sources of teachings on meditation, but will also kindle a spiritual flame in the hearts of readers.
