## **Plains Indian Wars (America at War)** Sherry Marker

The America at War set draws upon the latest scholarship in military history to provide young readers with dramatic, thought-provoking accounts of this nation's wars. Each volume describes the major objectives and strategies of the combatants, the key battles, and the prominent commanders as well as the political and social ramifications of the conflict. This volume vividly chronicles the many battles of the second half of the nineteenth century between Native Americans and the United States government, when countless treaties guaranteeing the rights and freedoms of Indians were broken by the white settlers and their army.
