## **Um País sem excelências e mordomias (Portuguese Edition)** Claudia Wallin

Ler este livro é algo obrigatório para todo deputado, senador, ministro, juiz, desembargador, governador, presidente, secretário, prefeito, vereador. E sobretudo para o eleitor. Para ele, é quase um guia de sobrevivência na selva da política brasileira. Claudia Wallin trata da Suécia mas é impossível não pensar no Brasil a cada parágrafo. Com cinismo, cólera, amargura. Ou com esperança. Porque não? Afinal, prova que existem políticos que desconhecem o tratamento de “Excelência”. Que não tem mordomias, não aumentam seu próprio salário, não tem gabinete próprio. Que usam transporte público e não estão na vida pública para fazer fortuna. E que respeitam – e muito — o eleitor. Um sistema apoiado em três pilares: transparência, escolaridade e igualdade. Um dia, quem sabe, chegaremos lá. Ler e se envergonhar com estas páginas pode ser o começo.
