Aqua, four simple letters for the elixir of life on earth. In this calendar, Mark James Ford and Ines Mondon show the diversity of colours, flowing structures and forms of water that can be found in nature. Sometimes abstract, often highly coloured, water remains the focus point of these 13 high quality photographs, from wild Swiss mountain streams to beautiful Icelandic ice sculptures. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
