Credo William Sloane Coffin

William Sloane Coffin has long fought for social justice and argued that faith must be at the heart of political and intellectual life. Now Coffin offers this record of his inspiring public words on issues ranging from charity and justice, politics, economic issues, the environment, nuclear disarmament, and mortality to the meaning of faith, the church, and a pastor's responsibility. These brief quotations and excerpts demonstrate the wit, fire, and passion he brought to the task of preaching and the moral commitment he has made to change the world.
