## ESOS LOCOS BAJITOS (Spanish Edition) AMANDA CESPEDES CALDERÓN

"Nos hemos convertido en la voz de un párvulo para mostrar su asombrosa mente, que supera ampliamente lo que los adultos creemos conocer y sobre cuya superficial evidencia sustentamos las teorías educativas, las prácticas parentales y la educación emocional. Nos hemos atrevido a esta audacia que amalgama literatura y ciencia apoyándonos en el conocimiento que nos han entregado tantos pequeños párvulos a lo largo de tres décadas de trabajo, y también luego de compartir las vidas de los pequeños de nuestra familia. Hemos también actualizado todo lo aprendido de sus mentes a través del estudio de las ciencias del cerebro en desarrollo. Confiamos en que hablar como lo haría un niño logre, por una parte, una mayor sensibilización en el adulto hacia la primera infancia, y por otra, que podamos revelar de cierto modo el misterio profundo de esos locos bajitos".
