Hidden Washington (1997) Eric Lucas

Shows the way to adventure both within Seattle and in Washington's many national parks, wilderness areas, and campgrounds

The new spiritual center of art and free expression, Seattle has become an urban magnet for travelers seeking everything from rock clubs and symphonies to upscale galleries and folk-art shops. Hidden Washington opens with an extensive survey of this '90s hot spot. Going neighborhood by neighborhood, author John Gottberg gets to the heart of each community while describing both its famous attractions and hidden favorites.

Carefully chosen selections show travelers how to experience the true essence of the place.

Recommendations of unique hotels like the Capitol Hill Inn, a 1903 Queen Anne-style bed-and-breakfast in the heart of Seattle's gay scene, are combined with reviews of one-of-a-kind restaurants like Three Girls Bakery, a local artists' hangout and lunch counter in Pike Place Market.

Once outside "The Emerald City" of Seattle, Hidden Washington shows readers the beauty of this state's "Evergreen Playground". Exploring the wide open spaces and small towns with the same thorough and insightful coverage given metropolitan Seattle, Hidden Washington surveys everything from the coastal fishing towns and Victorian settlements of Puget Sound to the burgeoning wine country and Alpine retreats in the Cascades.

Hidden Washington leads the way to whale watching in the San Juan islands, bald eagle viewing in the Hoh Rainforest, sea kayaking in Grays Harbor, skiing on Mount Rainier, and camping in the unspoiled parks found throughout Washington.

From reader reviews:

Karen Arsenault:

Information is provisions for folks to get better life, information nowadays can get by anyone at everywhere. The information can be a knowledge or any news even a concern. What people must be consider when those information which is inside former life are hard to be find than now could be taking seriously which one works to believe or which one often the resource are convinced. If you receive the unstable resource then you buy it as your main information it will have huge disadvantage for you. All those possibilities will not happen within you if you take Hidden Washington (1997) as the daily resource information.

Timothy Larios:

Reading a publication can be one of a lot of exercise that everyone in the world likes. Do you like reading book consequently. There are a lot of reasons why people love it. First reading a reserve will give you a lot of new details. When you read a publication you will get new information due to the fact book is one of a number of ways to share the information as well as their idea. Second, studying a book will make a person more imaginative. When you reading a book especially hype book the author will bring you to definitely imagine the story how the character types do it anything. Third, you could share your knowledge to other folks. When you read this Hidden Washington (1997), it is possible to tells your family, friends along with soon about yours book. Your knowledge can inspire the others, make them reading a reserve.

Donald Campbell:

Don't be worry when you are afraid that this book can filled the space in your house, you could have it in e-book way, more simple and reachable. This specific Hidden Washington (1997) can give you a lot of friends because by you checking out this one book you have thing that they don't and make an individual more like an interesting person. That book can be one of one step for you to get success. This book offer you information that maybe your friend doesn't know, by knowing more than other make you to be great persons. So , why hesitate? We need to have Hidden Washington (1997).

Carole Clark:

As a scholar exactly feel bored to be able to reading. If their teacher inquired them to go to the library as well as to make summary for some publication, they are complained. Just little students that has reading's heart and soul or real their hobby. They just do what the educator want, like asked to the library. They go to there but nothing reading critically. Any students feel that reading through is not important, boring and can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Hidden Washington (1997) can make you really feel more interested to read.
