More Than a Sunday Faith: Real Faith That Works In Real Life Chris Suitt

Christianity, as it is being practiced today, is unsatisfying to most Christians. To those watching their lives, it can also be seen as worthless at best and hypocritical at worst. Jesus didn't come just to give believers eternal life, but to radically change their lives from the inside out starting now! How He does this was the question posed by the book's author, Chris Suitt, whose family and pastoral career were spiraling downward. The answer he discovered was the Set Free Nowww principles, which were biblical tools that transformed his life. You too can experience satisfaction, significance, and security...each day, not just on Sunday, as you learn to process daily life using these biblical tools. More Than a Sunday Faith also gives you a way to practice them so you can have a faith that works in your real life situations. As this happens, you not only will experience the life Jesus offers, but those watching your life will be thirsty for Him as well.
