Before You (The Before and After Series Book 1) Amber Hart

"Beautiful . . . will settle deep in your heart." --Sophie Jordan

It will haunt me. It will claim me. It will shatter me. And I don't care.

Faith Watters has a picture-perfect life. She's captain of the dance team, popular, happy. She even spent her junior year traveling the world before returning to Oviedo High School for senior year. But she's living a lie.

Diego Alvarez hates his new life in the States, but staying in Cuba is not an option. Covered in tattoos and scars, Diego doesn't stand a chance of fitting in, and doesn't want to. His only concern is his secret past--a past, which if it were to surface, would cost him his life.

Everyone knows that Faith and Diego don't belong together. But fate has its own plan. All they want is to be free. What they get is something different entirely.

Love--it will ruin you. . .and save you.

"Will hook and hold you. . ." --K.A. Tucker *New York Times* bestselling author of *Ten Tiny Breaths*

You can spend your current spend time to read your guide. Try to make relationship with the book Before You (The Before and After Series Book 1). You never sense lose out for everything in case you read some books.

Linda Gordon:

Reading a book tends to be new life style in this era globalization. With studying you can get a lot of information which will give you benefit in your life. Using book everyone in this world may share their idea. Textbooks can also inspire a lot of people. A lot of author can inspire all their reader with their story or their experience. Not only situation that share in the guides. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors nowadays always try to improve their expertise in writing, they also doing some exploration before they write on their book. One of them is this Before You (The Before and After Series Book 1).

Bruce Smith:

Why? Because this Before You (The Before and After Series Book 1) is an unordinary book that the inside of the e-book waiting for you to snap the item but latter it will zap you with the secret that inside. Reading this book alongside it was fantastic author who have write the book in such remarkable way makes the content inside of easier to understand, entertaining technique but still convey the meaning thoroughly. So , it is good for you for not hesitating having this any longer or you going to regret it. This unique book will give you a lot of rewards than the other book have such as help improving your talent and your critical thinking technique. So , still want to hold off having that book? If I ended up you I will go to the e-book store hurriedly.

Bonnie Gallup:

Don't be worry should you be afraid that this book will probably filled the space in your house, you might have it in e-book way, more simple and reachable. That Before You (The Before and After Series Book 1) can give you a lot of buddies because by you taking a look at this one book you have issue that they don't and make an individual more like an interesting person. This particular book can be one of a step for you to get success. This book offer you information that might be your friend doesn't realize, by knowing more than other make you to be great people. So , why hesitate? Let's have Before You (The Before and After Series Book 1).
