Martin Chemnitz

Chemnitz's Works: The Two Natures in Christ Martin Chemnitz

This is a translation of Chemnitz's *De Duabus Naturis in Christo*, written in 1578. This book concerns the two natures of Christ (the divine and the human), their hypostatic union and the communication of their attributes and related questions. It shows that the Christology of the Lutheran reformers is that of Scripture, the ancient church fathers, and the creeds.
