Love and Protect

Naima Simone

Love and Protect Naima Simone

Ex-DEA agent Erin Montgomery is reluctantly back on the job, posing as the sex-kitten groupie girlfriend of rock star Sean Ledger. She'll be joining his band's tour to try to catch an obsessed, dangerous fan.

Tormented by nightmares of her failed last assignment, Erin's not exactly eager to be drawn back into the fray. But once she meets Sean, all rocker, all man and dripping with raw sex appeal, she knows she's right where she belongs. Sean is reluctant to have someone investigating his crew, but when he meets Erin, his objections fly out the window. The beautiful, hard-bitten agent turns him on like no other woman ever has. Sean's caught glimpses of the fiery passion lurking under Erin's cool front and he's determined to break through her hard exterior and make her his. But Sean's stalker is still at large and she's made it clear she's willing to stop at nothing—even murder—to get him.

From reader reviews:

Beatrice Pearson:

Now a day people who Living in the era just where everything reachable by talk with the internet and the resources included can be true or not call for people to be aware of each information they get. How individuals to be smart in receiving any information nowadays? Of course the reply is reading a book. Reading through a book can help persons out of this uncertainty Information particularly this Love and Protect book because this book offers you rich information and knowledge. Of course the knowledge in this book hundred per-cent guarantees there is no doubt in it you probably know this.

Russell Belcher:

Your reading sixth sense will not betray anyone, why because this Love and Protect reserve written by well-known writer whose to say well how to make book which might be understand by anyone who else read the book. Written within good manner for you, still dripping wet every ideas and writing skill only for eliminate your hunger then you still doubt Love and Protect as good book not simply by the cover but also through the content. This is one book that can break don't determine book by its include, so do you still needing yet another sixth sense to pick this specific!? Oh come on your examining sixth sense already told you so why you have to listening to another sixth sense.

Paula Jackson:

Do you like reading a publication? Confuse to looking for your favorite book? Or your book has been rare? Why so many issue for the book? But just about any people feel that they enjoy with regard to reading. Some people likes reading through, not only science book but in addition novel and Love and Protect or others sources were given know-how for you. After you know how the good a book, you feel would like to read more and more. Science guide was created for teacher or even students especially. Those books are helping them to add their knowledge. In additional case, beside science publication, any other book likes Love and Protect to make your spare time more colorful. Many types of book like this.

Kenneth Quisenberry:

A lot of publication has printed but it takes a different approach. You can get it by web on social media. You can choose the top book for you, science, witty, novel, or whatever simply by searching from it. It is referred to as of book Love and Protect. You can add your knowledge by it. Without making the printed book, it could add your knowledge and make anyone happier to read. It is most essential that, you must aware about reserve. It can bring you from one destination to other place.
