Mysterious Signal (Freedom Seekers) Lois Walfrid Johnson

In a strange city, finding help might be a matter of life or death. Can the Freedom Seekers spot the eerie signal in time to secure their safety?

Jordan makes plans to travel to Chicago and turn over the gift to help fugitive slaves. But then a dangerous man escapes, and if he recognizes Libby, Jordan, and Peter, they will be in danger.

When a disguise for Libby seems the only answer, it will require a sacrifice she isn't sure she's willing to make.

Will a life-threatening steamboat accident and Libby's new willingness to forgive bring the breakthrough she needs?

From the golden age of steamboats, the rush of immigrants to new lands, and the dangers of the Underground Railroad come true-to-life stories of courage, integrity, and suspense in the Freedom Seekers series.

From reader reviews:

Joshua West:

What do you ponder on book? It is just for students because they are still students or the item for all people in the world, what best subject for that? Only you can be answered for that problem above. Every person has distinct personality and hobby for every other. Don't to be obligated someone or something that they don't wish do that. You must know how great along with important the book Mysterious Signal (Freedom Seekers). All type of book is it possible to see on many sources. You can look for the internet methods or other social media.

Lloyd Lake:

The reason why? Because this Mysterious Signal (Freedom Seekers) is an unordinary book that the inside of the book waiting for you to snap it but latter it will distress you with the secret that inside. Reading this book next to it was fantastic author who all write the book in such incredible way makes the content inside of easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you for not hesitating having this any more or you going to regret it. This phenomenal book will give you a lot of advantages than the other book possess such as help improving your talent and your critical thinking method. So , still want to postpone having that book? If I were you I will go to the guide store hurriedly.

Michael Marx:

Can you one of the book lovers? If so, do you ever feeling doubt if you find yourself in the book store? Aim to pick one book that you find out the inside because don't assess book by its deal with may doesn't work this is difficult job because you are scared that the inside maybe not since fantastic as in the outside search likes. Maybe you answer may be Mysterious Signal (Freedom Seekers) why because the wonderful cover that make you consider regarding the content will not disappoint you actually. The inside or content is actually fantastic as the outside or cover. Your reading sixth sense will directly make suggestions to pick up this book.

Truman Gallagher:

What is your hobby? Have you heard which question when you got pupils? We believe that that concern was given by teacher with their students. Many kinds of hobby, All people has different hobby. And you know that little person similar to reading or as reading become their hobby. You have to know that reading is very important and book as to be the matter. Book is important thing to include you knowledge, except your own teacher or lecturer. You see good news or update with regards to something by book. A substantial number of sorts of books that can you choose to use be your object. One of them is niagra Mysterious Signal (Freedom Seekers).
