The Featherbed

John Miller

The Featherbed John Miller

When Anna and Sadie discover the diaries of their mother, Rebecca, in the days following her death, they learn that her life was far more complex than either of them knew: a garment worker in early-1900s New York; the reluctant wife in an arranged marriage to an ailing and abusive husband; the improbable friend of a pregnant prostitute.

But the diaries reveal more than just surprising details about Rebecca's life: they also point to a family secret - and questions about Sadie's true parentage.

The Featherbed is a gripping family saga that moves between the tenements of New York's Lower East Side and the stately homes of Toronto's Annex. Strong in plot, character, setting, and style, it is a fully-realised debut from an assured writer.

From reader reviews:

Cindy Martin:

What do you with regards to book? It is not important along? Or just adding material when you really need something to explain what the one you have problem? How about your spare time? Or are you busy individual? If you don't have spare time to complete others business, it is gives you the sense of being bored faster. And you have free time? What did you do? All people has many questions above. They should answer that question since just their can do in which. It said that about e-book. Book is familiar in each person. Yes, it is appropriate. Because start from on guardería until university need this The Featherbed to read.

Donna Nichols:

This The Featherbed book is simply not ordinary book, you have after that it the world is in your hands. The benefit you get by reading this book is information inside this publication incredible fresh, you will get information which is getting deeper you read a lot of information you will get. This The Featherbed without we understand teach the one who reading through it become critical in thinking and analyzing. Don't be worry The Featherbed can bring once you are and not make your handbag space or bookshelves' become full because you can have it in your lovely laptop even phone. This The Featherbed having good arrangement in word as well as layout, so you will not experience uninterested in reading.

Jere Bingham:

This The Featherbed is great reserve for you because the content which is full of information for you who have always deal with world and get to make decision every minute. This book reveal it information accurately using great arrange word or we can claim no rambling sentences inside it. So if you are read that hurriedly you can have whole information in it. Doesn't mean it only gives you straight forward sentences but challenging core information with splendid delivering sentences. Having The Featherbed in your hand like getting the world in your arm, data in it is not ridiculous one particular. We can say that no book that offer you world throughout ten or fifteen minute right but this publication already do that. So , this is certainly good reading book. Hey there Mr. and Mrs. hectic do you still doubt that will?

Lloyd Schuler:

Do you like reading a guide? Confuse to looking for your best book? Or your book seemed to be rare? Why so many question for the book? But any people feel that they enjoy to get reading. Some people likes examining, not only science book but novel and The Featherbed or perhaps others sources were given expertise for you. After you know how the great a book, you feel desire to read more and more. Science publication was created for teacher as well as students especially. Those guides are helping them to add their knowledge. In various other case, beside science e-book, any other book likes The Featherbed to make your spare time much more colorful. Many types of book like here.
