Lighting the Eye of the Dragon: Inner Secrets of Taoist Feng Shui Jessica Eckstein, Baolin Wu

Today the art of Feng Shui, once shrouded in secrecy and superstition, is taking on new life as a powerful, practical method for enhancing one's career, health and personal growth. Unfortunately, these techniques, as taught in the U.S.A., tend to be filled with incomplete, incorrect and unnecessarily complex information.

Now Dr. Baolin Wu, renown Feng Shui practitioner and living master of the complete cannon of Taoist arts, presents publicly, for the first time, the inner teachings of the White Cloud Monastery in Beijing, as passed to him from a 1,000 year old oral tradition.

Unlike other books on Feng Shui, this volume explains the inner reasons behind many common placement techniques, as well as detailing the exceptional meditation and Qi Gong exercises that have until now been held as hereditary secrets of the White Cloud monastery.
