Who controls your life? What if every move and decision you made was manipulated by someone you never met? What if your direction, your actions, and your future were cradled in the hands of a stranger? What if that person was hell-bent on devouring you? Could you survive if you did not know who to trust? The Miami sunshine beckons restless souls to allow its warmth to permeate bare skin and release all inhibitions. For Sarah, the promises Miami holds dissolve ruthlessly until it becomes a place she desperately must escape. With her decisions clouded by passion, Sarah's world explodes into a nightmare of blackmail, violence, and sexual domination. She must draw every ounce of her strength to untangle the twisted lies and find truth.
