Jayne Schooler, Betsy Keefer Smalley, Timothy Callahan

*Why doesn't our child return our love? What are we failing to understand? What are we failing to do?* These questions can fill the minds of adoptive parents caring for wounded, traumatized children. Families often enter into this experience with high expectations for their child and for themselves but are broadsided by shattered assumptions. This book addresses the reality of those unmet expectations and offers validation and solutions for the challenges of parenting deeply traumatized and emotionally disturbed children.
