*He thought he knew who he was. Now he's a stranger to himself.*

*Cambridge Fellows Mysteries, Book 7*

When Jonty Stewart and Orlando Coppersmith witness the suspicious death of a young man at the White City exhibition in London, they're keen to investigate—especially after the cause of death proves to be murder. But Police Inspector Redknapp refuses to let them help, even after they stumble onto clues to the dead man's identity.

Orlando's own identity becomes the subject for speculation when, while mourning the death of his beloved grandmother, he learns that she kept secrets about her past. Desperate to discover the truth about his family, Orlando departs suddenly on a solo quest to track down his roots, leaving Jonty distraught.

While Jonty frantically tries to locate his lover, Orlando wonders if he'll be able to find his real family before he goes mad. After uncovering more leads to the White City case, they must decide whether to risk further involvement. Because if either of them dares try to solve the murder, Inspector Redknapp could expose their illicit—and illegal—love affair.

*Warning: Contains sensual m/m lovemaking and hot men driving Lagondas.*
