## A Love That Would Shape History Forever

Because she's a woman, higher learning was always closed to **Susanna Smith**. But her quick mind and quicker tongue never back down from a challenge. And she's determined to marry well, so she'll be able to continue her work with the less fortunate.

Growing up with little to his name, poor country lawyer **Benjamin Ross** dreams of impacting the world for the better. When introduced to the Smiths he's taken by Susanna's intelligence and independent spirit, but her parents refuse to see him as a suitor for their daughter.

When the life of a runaway indentured servant is threatened, Susanna is forced to choose between justice and mercy, and Ben becomes her unlikely advisor. But drawing closer to this man of principle and intellect lands her in a dangerous, secret world of rebellion and revolution against everything she once held dear.

"Hedlund's talent for creating three-dimensional, deeply human and realistically flawed characters is the welcome highlight of this tale set in pre-Revolutionary Massachusetts." --*RT Book Reviews*

"Hedlund offers another beauty for fans of historical romance, unfolding an unlikely relationship in the midst of political and social machinations in pre-Revolutionary War Boston. This fast-paced drama draws the reader in quickly while introducing engaging characters who wrestle with ethical and emotional challenges." - *Publishers Weekly*

"The romance in *Rebellious Heart* is sweet and charming...fast paced with tons of action." -- *Fresh Fiction*

"[Hedlund] vividly captures authentic historical details as she explores the radical changes looming in light of the approaching American Revolution. In a note, Hedlund explains how she used John and Abigail Adams as her role models for her characters." -- *Library Journal*
