Pleasures and Fantasies I invite you to look for creative ways of stimulating your affective life with sensual performances. There are a few suggestions for you to start this path that may lead you to discovering new pleasures. I've tried to write on freer way, just like fantasies are: free. Feel comfortable to create your own. The proposal of this book is to facilitate and boost your courage and boldness in order to practice it and serve as a support for students who go to our courses, while the book "Striptease: How to Win a Man Over" that we released recently can extend your knowledge on sensual arts with other techniques and styles, like the "chair dance", lap dance, erotic dance, etc. But at this moment that we have to develop the subject "sensual costumes", I'll try to incentive more individual creative process with new selected ideas developed to serve as motivation, so that each reader can express freely her desires and creations. Performances and striptease training can bring a lot of benefits. The results are more effective if practiced regularly. Keep this book close to you, it's important to always practice and surprise your partner. Be sure that the costumes can also bring happiness and unforgettable moments. "It's best to be happy than be sad, happiness is the best thing there is" – Vinicius de Moraes. I added some texts and quotes by writers and poets, great masters of creation who guide our most beautiful dreams and fantasies. I thank for all the great treasures they've left. With sensual fantasies we can heat up to the maximum our relationship our relationship. We might forget an "ordinary" night of sex, but sex heated by an exciting costume is unforgettable. To fantasize with your husband or boyfriend, to surprise the person we love by taking him away from routine. Light the flame of passion and revive all good emotions. These are the greatest gifts we receive when we perform our fantasies. Many people are still afraid of their fantasies. They think it's sinful or perverted. But the performances we are going to suggest are healthy, ludic and fun, and always very spicy. All people and couples of age can benefit from these suggestions on their relationships independently of their sexual orientation. Creativity is a gift that belongs to the Goddesses of Love. These are women who always want to learn more and improve the art of making love with all their strength and intensity they have in their soul. They are the great lovers that turn sex into a master piece. They are also the greatest gift a man can receive from God. This book is based on the new method created for the "Goddess of Love" workshop, for the Sensual Fantasies Course. Through our experience we've developed steps in order to make the learning more didactic and easy, always in a dynamic and ludic way. 1st – The importance of the sensual fantasies 2nd – The benefits for sexual health and psychological aspects. 3rd – How to plan it and prepare yourself. 4th – Knowing how to classify the performances and choose it according to each occasion. 5th – Body language and expressions according to the character. 6th – How to develop self-confidence and eliminate shyness in order to boost your sensuality and boldness. 7th – Extend creativity on moves and dance. 8th – Learning poses and gazes that boost seduction. Suggestions about seducing and spicing sex. Develop your feminine power. Use affirmations to increase your self-esteem, sexuality and improve your psychological aspects. Repeat positive messages, for example, say to yourself things like "I am a wonderful woman!", "I'm becoming more and more sexy!", "I'm an attractive lover!" and so on. Be smart, don't bother with the "flaws" that all of us have (fatty spots, cellulites...). Show your best! Feel powerful and sexy despite your physical type or age. Value your strong side! Take control of your personality, charm and beauty. Seduce your husband or boyfriend. In the beginning of the relationship, sex i
