Earth's Dragons is the continuing saga and greatly anticipated second sequel of the award winning book, Earth is Ours, Best Fantasy/SciFi 2005 from the prestigious San Diego Book Awards Association. The first sequel, Target Earth, placed Finalist in the same awards for 2006. The beloved characters developed in the original story evolve and begin an exciting new adventure in the sequel. In Earth's Dragons the characters evolve yet again and embark on a new adventure and finale of the series as they continue to defy monstrous, invading aliens dedicated to the total destruction of the human race. The male versus female conflict of minds, emotions and motivations remain a large portion of the story as it unfolds from both viewpoints. The struggle continues against formidable invaders led by an awe inspiring supreme leader. In this fast paced and compelling adventure, battles wage across the California and Arizona deserts.
