**Luftwaffe over Finland (Luftwaffe at War)** Kari Stenman, Kalevi Keskinen

This superb illustrated series books charts the rise and fall of the German Air Force from 1939 to 1945. Each volume makes use of over a hundred rare photographs, many of them taken by Luftwaffe personnel, to bring history to life and record both the men and the aircraft they flew.

This title explores the German air war on the Northern Front. The Fins were active allies of the Germans in their war against the Soviets and allowed the Luftwaffe considerable freedom in its operations over Russia. Although conditions in the north were harsh, the Luftwaffe quickly adapted to the region and carried out a series of key operations over Russia between 1941 and 1944.

The Luftwaffe over Finland presents the men and the aircraft used in this campaign, mostly from Luftflotte 1 and Luftflotte 5. The outstanding collection of photographs includes almost every type the Luftwaffe flew from Finland – from Ju 87 dive bombers and Focke Wulf Fw 190 fighters to coastal patrol and transport units – as well as some of the pilots.
