There are some secrets even Las Vegas's 24/7 glitter can't hide. Lucy Farago's dazzling new series ups the ante as a fiery stripper fights to protect an elite detective from danger--and both their killer pasts...

Living in the red-hot now is how Rhonda Deagan survives. Onstage, this sexy Goth stripper always stays on top, no matter how much her real-life dreams shatter. So why not risk a scorching fling with a gorgeous groomsman after her best friend's wedding? Too bad Blake Cameron is in someone's lethal sights. And saving this cool-headed investigator's life just put Rhonda on the run with him--and on his personal, oh-so-seductive hit list...

For Blake, figuring out who doesn't want him dead is easier than keeping his new raven-haired friend safe. The only way he can buy time to out-think their pursuers is to hide them both in the aristocratic world he thought he'd escaped. But there's no escaping the incendiary attraction between him and Rhonda. Walking the knife-edge between desire, lies, and naked truth may be their best chance to live--if it doesn't cut too deep to survive...
