When a sinister old woman leaves Griffin Peshine a box of twelve shiny pennies, she sets in motion a desperate quest—because the old woman was a wish stealer, and each penny represents a wish she stole from a wishing fountain decades earlier. Somehow, Griffin has to make things right, or the opposite of her own wishes will come true—and it could literally be a matter of life and death. *The Wish Stealers* introduces a new voice in middle-grade fantasy, as bright and sparkling as Griffin's pennies.
