But you need to recognize them, accept them, and incorporate them into the new design you are now going to create.*

In its scope, and in its effect on readers, *A New Design for Living* is second only to Ernest Holmes's magnum opus, *The Science of Mind*. At last available again, this galvanizing book teaches how to turn mind-power into an infinitely positive force-the very force of creation itself. Harmonize with the beauty and intelligence of the universe, watch the magnificence of life transform before you, and awaken to the nature of reality. With this newfound power of transformative thinking, every goal is attainable.
