Sede barely escaped captivity with her life! Alone in the forest she clutches "Eden's Seed". Behind her is the Nephilim who loved her and died for her, before her awaits Shem who lives to love her. The world she once knew has changed and will never be the same. The flood that Noah had foreseen will happen and a momentum begins as the great ark is finished. Corrupted mankind, along with the fallen angels and their Nephilim sons, are about to be engulfed by the heavy hand of judgment. All that live on the earth experience the first drop of rain and then the undeniable deluge of power and fury, as the fountains of the deep are broken up and the windows of heaven opened to cover the earth. Safe within the ark Sede and her family wait, knowing that Yahweh has a plan for mankind and it is to begin with them. A new world gives way to life and their small village takes root, becoming 'heaven on earth'. But just as it was in the old world, beauty and innocence become marred. Through the defiant choices of Ham everything changes leading to a confrontation on the tower of Babel. Though tried and tested the 'Seed of Eden' sprouts, takes root, and blooms before Sede's very eyes. The seed that will change the world!
