Find It on a Coral Reef (Can You Find It?) Dee Phillips

Can You Find It? is an interactive nature series that invites young readers on a scavenger hunt! Each book features beautiful full-color photographs and asks readers to find nine different animals, plants, or objects that are commonly found in each of six habitats. Beyond the challenge of the hunt, readers are treated to colorful close-ups of the items, complete with short, easy-to-read descriptions and fun facts.
