Merlin's Greatest Weakness Could Become His Greatest Strength

When a meteorite crashes near a small village in fifth-century Britain, it brings with it a mysterious black stone that bewitches anyone who comes in contact with its glow---a power the druids hope to use to destroy King Uthur's kingdom. The only person who seems immune is a young, shy, half-blind swordsmith's son named Merlin.

As his family, village, and even the young Arthur, are placed in danger, Merlin must face his fears and his blindness to take hold of the role ordained for him. But when he is surrounded by adversaries, how will he save the girl he cherishes and rid Britain of this deadly evil ... without losing his life?

Book includes location map and detailed character index.
