The Naked God: The Writer and the Communist Party Howard Fast

Fast's book on his break with the Communist Party, and a riveting tribute to the importance of justice and beauty over dogma and rigidity

The Naked God is Howard Fast's public repudiation of the Communist Party, of which he was a devoted member for thirteen years until reading about the full scope of atrocities committed by the Soviet Union under Stalin. The bestselling author of *Spartacus* and *Citizen Tom Paine*, Howard Fast lent his writing talents and celebrity to the communist cause as a steadfast advocate and public figure. However, he felt increasingly ill at ease with the superior manner Party leaders took with rank-and-file members and with rumors of Soviet anti-Semitism. In his first book after officially leaving the Party in 1956, Howard Fast explores the reasons he joined and his long inner struggle with a political movement in which he never felt he truly belonged.

This ebook features an illustrated biography of Howard Fast including rare photos from the author's estate.
