GREEP BOINK MEEP! The three little aliens are happily settling into their new homes when the Big Bad Robot flies in to crack and smack and whack their houses down! A chase across the solar system follows in this out-of-this-world version of the classic *Three Little Pigs* tale. Margaret McNamara (*How Many Seeds in a Pumpkin?*) and Mark Fearing (*The Book that Eats People*) have created a humorous and visually stunning story that kids will adore—and that will introduce them to the planets and the solar system. The endpapers even include a labeled diagram of all the planets.
