**A broken heart mends faster when you go back to what makes you the happiest**

Carole is back at Pine Hollow full time, spending as many hours as she can with the horses she loves. There's no better place to heal than the stable.

While Stevie is busy training for eventing, Callie is trying to figure out what to do about George. Is she imagining things, or is he stalking her? And now that Lisa and Alex have officially broken up, Callie finds that her relationship with Scott isn't exactly easy either. It seems like the girls have a better track record with their horses at the stable than with the boys outside of it.
